OUR SATELLITE IN BROOKLYN

In 2001, Calvary opened a 25-bed Satellite at Lutheran Medical Center – the first “hospital within a hospital” in New York State. Since then, Calvary has truly become a part of the fabric of New York City’s most populous borough.

In addition to our signature care, Calvary’s Brooklyn Satellite offers comprehensive social work, pastoral care, and therapeutic recreational services, a newly renovated dayroom, and the Rosemarie O’Keefe Memorial Garden & Patio, named after a highly respected community organizer and civic leader.

To date, we have cared for more than 5,000 inpatients and their families; brought our unique care to thousands of home care and hospice patients; provided bereavement support to dozens of adults, children, and teenagers; and educated many people on how to obtain quality end-of-life care for themselves and their loved ones.

CALVARY’S BROOKLYN DONOR WALL

A gift to Calvary Hospital’s Brooklyn Donor Wall ensures that a loved one’s name will exist in perpetuity with the lifetime of the Hospital. This unique naming opportunity therefore, carries special meaning for both the donor and the Hospital. Some gifts are for remembrance, some are in honor of a special person. Other gifts are an expression of thanksgiving that there is a Calvary Hospital and that its mission – to give the finest medical, spiritual and emotional care to advanced cancer patients and their families – will continue and grow.

Becoming part of the Donor Wall is a most loving way of memorializing someone special to you or saying thank you, because your gift of love helps patients today and tomorrow by remembering yesterday.

Because Calvary recognizes a donation to the Brooklyn Donor Wall as a named space, a minimum single donation of \$2,000 is required. Various size plaques are available.
