Calvary Hosts Ribbon-Cutting for Renovated Nurse Lounges

Calvary Hospital hosted a dedication and ribbon-cutting in December for nurse lounges that were recently renovated at its 200-bed Bronx campus. A generous \$75,000 gift from The Pat Cairo Family Foundation made the renovations possible. On hand were Joe Cairo, members of his extended family and board members of The Pat Cairo Family Foundation.

Mr. Cairo's wife, Pat, was a patient at Calvary in 1995 for nearly 3 months. After she passed away, Mr. Cairo

Calvary and the FDNY Collaborate on Paramedic Training Program

For the past 13 years, Calvary Hospital and The Fire Department of the City of New York (FDNY) have collaborated on the latter's 9-month paramedic training program for FDNY Emergency Medical Technicians. Each year, all of the EMT students visit the Hospital's Bronx campus for one day to learn about Calvary's unique approach and international leadership in palliative care, how to best care for patients at the end of life, effective pain management tips, and make rounds with two Calvary physicians.

Calvary and FDNY have collaborated since 2004 with this Palliative Care module. This is one of 60 modules in the curricula for their paramedic training program. More than 60 men and women are enrolled in FDNY's 2017 paramedic training program. All will visit Calvary before they graduate later this year. FDNY Emergency Medical Technicians currently enrolled in the paramedic training program spent an entire day at Calvary's Bronx Campus. Calvary educated them about palliative care and pain management that will be helpful in the field.

was instrumental in getting the End-of-Life law passed in the New York State legislature to ensure that terminally ill people who wanted Calvary's signature care could get it. He also founded a foundation in honor of his wife's memory.

In the 20 years since it was formed, the foundation has raised \$2,065,000 million dollars for Calvary. In March 2016, the Foundation donated \$75,000 specifically to renovate the staff/nurse lounges at the Bronx Campus. This amount was in addition to the foundation's annual \$100,000 gift for the Hospital's general support.

2017 Meviar Smith Humanitarian Awards

Calvary Hospital recently honored Sabrina Moye (a 25-year veteran) and Evelyn Roy (who joined Calvary in 1987) with the 2017 Meviar Smith Humanitarian Award. The award, which has been bestowed since 1988, was created to honor the memory of long-time employee, Meviar Smith. Until her death in 1987, Meviar was famous for her loyalty, conscientious work ethic, and dedication to the patients at Calvary Hospital.

Calvary Hospice Care

Many people are familiar with Calvary's Bronx and Brooklyn Campuses, as well as our patients at The Dawn Greene Hospice at Mary Manning Walsh in Manhattan, and Ozanam Hall in Queens.

However, people are often pleasantly surprised to find out that we provide our signature end-of-life care to more people each day in private homes, assisted living and nursing facilities throughout the greater New York area. The quality of care is excellent, *wherever* our patients receive it.

Here's what people feel about the care Calvary Hospice provided to their loved ones:

"During my parents' final days, Calvary Hospice gave them both the quality of life they deserved. For Dad, they provided comfort, compassion and love. For Mom, Calvary's expert staff was there, once again, for all of us. We feel doubly blessed that Calvary was in our lives." — Deborah

"Throughout all my 38 years of experience as a Registered Nurse, I could not have asked for, nor could I have given, better care for mom." — Carolyn

"The expert staff of Calvary Hospice alleviated Mother's physical pain and our family's mental anguish. Your nurse, social worker, and rabbi made sure that my mother and all of us, her family, were granted peace and serenity, free from pain, stress, and anxiety. It was a perfect healing that combined compassion and care." — Leon

Press Ganey Honors Calvary Hospital for Outstanding Patient Satisfaction

For the 11th consecutive year, Press Ganey Associates, Inc. has recognized Calvary for the Hospital's consistent **highest level of customer satisfaction** for three or more consecutive years. Press Ganey currently partners with more than 10,000 health care facilities – including nearly 50% of U.S. hospitals – to measure and improve the quality of their care. Since Press Ganey launched their awards in 2006, Calvary has received the **Summit, Beacon of Excellence** and **Guardian of Excellence Awards**, every single year.

Kudos to the entire staff at all locations for helping us achieve this honor!

Joey Peritore

More than 10 years ago, Joey Peritore experienced *CalvaryCare*SM for the first time when his beloved father, Giuseppe “Joe,” was admitted to Calvary’s Brooklyn Campus in December 2006. In February 2007, Joe passed away peacefully surrounded by his wife, Assunta “Susan,” and his five sons. In 2016, when Susan also needed expert end-of-life care, Joey turned to Calvary again. Eight days after she was admitted to the Brooklyn Campus, Susan died peacefully on May 12th, 2016.

Joey was so grateful for the care that his parents received from Calvary that he recently conducted a “GoFundMe” campaign to raise \$4,000 in their honor for his 40th birthday – April 28. Joey surpassed his goal by more than 11%, raising \$4,462 that will benefit the Brooklyn Campus.

Joey is aware that people are often reluctant to have their loved ones admitted to Calvary. His advice for people is simple, “By having your loved ones admitted to Calvary’s Brooklyn Campus, you ensure that trained medical staff gives them the care they deserve and allows your family to spend quality time together. You can just live and be in the moment, without the responsibility of being a caregiver.”

Thanks to Atalie's Hope

On April 13, Calvary received a gift from Atalie's Hope, in the amount of \$25,000, for our child bereavement support. Funding was provided in part by the Stu Fishkin fundraiser that is working with Atalie's Hope, which was founded by Nada Bernic in memory of her daughter, who died of cancer. Stu Fishkin was an NYPD detective who lost his life to a cancer related to his rescue and recovery work after the 9/11 terrorist attacks. This was the third gift from Atalie's Hope, for a total of \$65,000 for our child/teen bereavement programs.
