

Important Information about Paying for Your Care at Calvary Hospital Inc.

Calvary Hospital charges include the following: Room and Board daily charge, medical supplies, medications, ancillary services as needed (e.g., x-rays, all laboratory tests, electrocardiograms and therapy treatment, etc.).

It is also important for you to know that the physician services you receive in the hospital are not included in the hospital's charges.

Prospective patients should check with the physician arranging for the hospital services to determine which Health Plans the physician participates.

Physicians who provide services at Calvary Hospital may be independent voluntary physicians or they may be employed by Calvary Hospital.

Physicians who provide services to patients may or may not participate with the same Health Plans as Calvary Hospital.

Calvary Hospital Physicians are generally employed by the Hospital. Calvary Hospital makes every effort to ensure that physicians are credentialed and participating in the health insurance plans that Calvary Hospital contracts with. If the patient has out of network benefits (OON) with their insurance company Calvary Hospital may bill the patient for the patient responsibility as indicated on the insurance (EOB) explanation of benefits.

Calvary Hospital is a participating provider in many health plan networks. You can find a list of the insurance plans and products in which we participate in on our website.

Some health plans use smaller networks for certain products they offer so it is important to check whether Calvary Hospital participates in the specific plan you are covered by.

Information is also available regarding Calvary Hospital's Financial Assistance program and how to obtain information regarding Calvary Hospital charges for items and services.
