HOSPITAL

Where Life Continues

RESILIENCE

Calvary Hospital  Annual Report

THE MISSION OF CALVARY HOSPITAL

is to care for the medical, emotional and spiritual needs of our adult patients with advanced cancer and other life-limiting illnesses. It is the only fully accredited acute care hospital in the U.S. devoted exclusively to the palliative care of adult patients.

WE CONTINUED TO CARRY OUT
OUR MISSION IN 2020, WITH
THE CREATIVITY, DEDICATION,
AND COMPASSION OF OUR
ENTIRE CALVARY COMMUNITY.

MESSAGE FROM THE CHAIRMAN OF THE BOARD AND PRESIDENT

In the 121 years since Calvary Hospital was founded, 2020 will stand out as the most challenging year we have ever experienced. There are many words that can be used to describe last year. The one word that we feel best describes Calvary's experience: RESILIENCE.

We were determined to not let COVID-19 affect the quality of care wherever our patients and families were located.

- Hundreds of our employees worked 12-hour days seven days a week for months on end, going far beyond the call of duty.
- When other hospice care providers were reluctant to admit patients who might be COVID positive, our team – especially for Calvary@Home – willingly cared for them.
- When the NYS Department of Health decided that no visitors would be allowed, we quickly pivoted and found ways to use technology to keep our patients and families in touch.
- We redeployed staff as necessary to fill critical needs throughout the pandemic.
- We provided 42,660 complimentary meals to our staff, and provided spiritual and bereavement support.

Entering the second year of the pandemic, Calvary is more committed than ever to safety. Here's what we're doing now to keep us all safe:

- Screen every employee and visitor at our Bronx and Brooklyn campuses;
- Test all new patients for COVID-19 without any history of the virus in the past 90 days;
- Provide our inpatient and Calvary@Home staff with enough PPE to safely care for patients;
- Offer bereavement support groups remotely for all children, teens and adults;
- To date, Calvary has administered 5,301 doses of the COVID-19 vaccine, benefiting 2,683 employees and people from the community.

In the more than three decades that we have each been affiliated with this great hospital, we have never witnessed more integrity, dedication, soul and sheer emotional strength than we did during this past year.

MESSAGE FROM THE CHAIRMAN OF THE BOARD AND PRESIDENT

But what really helped us get through this pandemic were donors who were just as resilient.

Donors like you provided Calvary with donations such as: 2,100 meals; 6,920 masks, 610 goggles and face shields; and 1,670 gowns and pairs of disposable gloves. We could go on and on. Your support was essential to making sure that the quality of patient care did not suffer.

In an unprecedented year in which many non-profits were struggling, Calvary was able to raise more than \$10.4 million – more than what we typically raise without a global pandemic to deal with! *There are no words to describe our gratitude for your support during this time.*

We look forward to the day when life will get back to normal at Calvary. But until then, we have already begun working on several exciting initiatives:

- A \$1 million grant from the Mother Cabrini Foundation will allow us to launch the Navigator Program. This will allow us to introduce palliative care earlier in people's lives while they're still seeking curative measures.
- The launch of our *CalvaryCare*[®] initiative, our \$100 million capital campaign, will strengthen the Hospital for decades to come.

We invite you to be part of these new initiatives.

Until COVID-19 is no longer the healthcare crisis we've experienced, we are confident that our entire staff will continue rising to the challenge.

We are very grateful for the generous support of our Hospital and Fund Boards, donors and volunteers, to our unwavering mission of caring for adults at the end of life.

Thank you for all that you have done and all that you will do for Calvary in the future.

Thomas J. Fahey, Jr., MD (left) and Frank A. Calamari (right)

Thomas J. Fahey, Jr., MD

Chairman, Calvary Hospital Board of Directors

Frank A. Calamari

President and Chief Executive Officer

OUR CAREGIVING TEAM NEVER WAVERED

Throughout this challenging year, our caregivers never skipped a beat — from physicians, nurses, and Calvary Care Technicians, to chaplains and social work/family care practitioners.

Our caregiving team:

Worked every day for months;

Kept patients and families in touch when visiting was not allowed in any hospital;

Comforted family members in the community after their loved ones died; and

Worked double shifts at the Bronx or Brooklyn campuses so patients could get the care they needed and deserved.

One of our hospice social workers called 30 funeral homes before finding one willing to pick up one of our patients.

To keep their own families safe from infection, some of our employees even made alternative living arrangements once they were done with work.

Whether our caregivers worked in the community, or at the Bronx or Brooklyn campuses, Calvary salutes our entire team for their **RESILIENCE.**

WE PROVIDED
Spiritual &
Bereavement
Support
TO OUR STAFF

WE STAYED TRUE TO OUR MISSION

Calvary Hospital is blessed not only with excellent caregivers, but they are also supported by hundreds of dedicated professionals in dozens of departments.

WE PROVIDED
42,660
MEALS
TO OUR STAFF

Calvary employees perform many important roles:

They process patient admissions and handle paperwork;

They keep the facilities running smoothly;

They cook thousands of nutritious meals each month for all patients and staff;

The Housekeeping team makes sure that our facilities are kept spotless; and

Security ensures the safety of every person on-site.

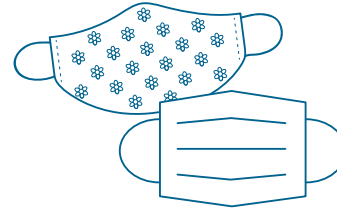

Calvary employees are dedicated to staying true to our mission of caring for patients at the end of life.

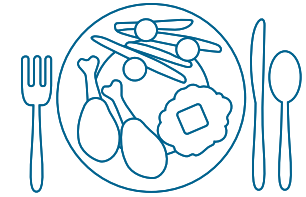

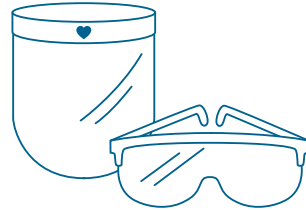

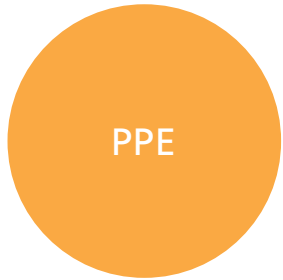

Calvary is grateful
for the generous donations
we received from our
donors and supporters
during the pandemic.

MESSAGE FROM THE CALVARY FUND CHAIRMAN

Dear Friends,

Thank you to all who gave generously in 2020 to support Calvary Hospital.

Last year was unlike any other year, and Calvary Hospital remained committed to its mission of non-abandonment.

This pandemic illustrated for all of us the importance of care for patients and families dealing with a terminal illness. The staff at Calvary Hospital continued to perform acts of kindness and tender mercies that characterize the extraordinary care for which Calvary is legendary.

In the face of crisis, we developed innovative ways to meet the emotional needs of patients and families.

Calvary's mission is to lift the burden of fear and anxiety from patients at the end of life; this is what we do best. We will continue to be resilient and keep the faith that guides all Calvary staff, including the nurses, doctors, chaplains, and social workers.

As a result, Calvary continues to pivot in ways that allow our programs to remain strong both fiscally and programmatically while remaining true to our mission.

While 2020 was a challenging year for fundraising, in light of the pandemic we witnessed numerous individuals and foundations step up and increase their support or give more frequently. We continue to remain optimistic that much of this generosity will continue in the years ahead.

We are immensely grateful to the foundations, corporations, and Storrs Society leadership donors as well as the thousands of individuals and families who support Calvary Hospital every year, including those who participate in our Golf Classic, Awards Gala, and Attorney Conference.

Again, thank you,

A handwritten signature in blue ink that reads "Carlos Hernandez". The signature is fluid and cursive.

Carlos M. Hernandez
Chairman, Calvary Fund, Inc.

2020 CALVARY FUND REPORT

SALUTING OUR STRENGTH, SUCCESS AND SUPPORTERS

Calvary supporters rallied against unprecedented challenges to protect our mission of non-abandonment and provide superlative end-of-life care to patients and families in dire need.

Thanks to the exceptional resilience of our donor family, more than \$10.4 million in contributions was raised in 2020.

CALVARY HOSPITAL'S 37TH ANNUAL AWARDS GALA

COVID may have changed the rules of engagement, but the steadfast loyalty of our exceptional donors never wavered. Our 37th **Annual Awards Gala** was one of our most successful fundraising dinner events ever, generating \$941,116 in pledges and payments to benefit our patients and their families. Offered in a virtual format on Monday, December 14, 2020, the gala was attended by an estimated 500 visitors. The highlight of the evening was a performance by the legendary

Alan Menken, the Emmy, Grammy, Oscar, and Tony award-winning composer of Disney's *The Little Mermaid*, *Beauty & the Beast*, *Aladdin*, Broadway's *Little Shop of Horrors*, *Sister Act*, and much more.

Three distinguished honorees were acknowledged for their commitment to Calvary. **Khalil Barrage**, Managing Director of Invus, was awarded *The Calvary Medal* in recognition of distinguished corporate and civic leadership. **Louise M. Parent**, Retired Executive Vice President & General Counsel, American Express and Of Counsel, Cleary Gottlieb Steen & Hamilton LLP, received *The Compatriot Award* for a legacy of leadership and service, including her years as a member of the Calvary Fund Board, and volunteering at both the Bronx campus and The Dawn Greene Hospice in Manhattan. **Faye Menken Schneier and Leah Menken-Levenson** accepted the inaugural *Spirit of Family Award* on behalf of the **Menken Family** whose friendship and support exemplify the true meaning of partnership in good times and bad.

32ND ANNUAL GOLF CLASSIC

On Monday, August 24, 2020, 60 Calvary donors, including 11 first-time attendees, gathered on the greens at Brae Burn Country Club to ace the day in memory of Dennis E. Berberich. The ongoing pandemic forced our golf enthusiasts to curtail enjoyment of the usual lavish cocktail and dinner activities, but not their generosity in support of Calvary's patients and families — \$130,879 was raised.

Leading the drive were Co-Chairs Dennis M. Berberich, Maryann Farrell, and Joseph L. Nunziata. Key sponsors included The Robert Goelet Foundation, Simone Healthcare Development, the Solimine Family, Linda and Dennis Berberich, Central Medical Supply, Empire General Consulting, Eileen and E. Barry Lyon, the Monaghan Family, and LaSorsa Auto Group.

NANCY DELANEY

I have always been moved by Calvary's mission, "Where life continues." Before virtually anyone else did, Calvary saw the pressing need to provide care to those for whom aggressive treatment and a cure were no longer an option. They created a place where the patient could be treated as a person, where they could be with their families and friends without limitation, and where their favorite things in life – whether it be music or a cocktail – could be provided. I admired the work and supported it. But it was not until my mother's illness that I was able to see it in action.

From the moment Mom arrived, she was tenderly cared for. The medical staff, nurses, assistants and religious staff were all attuned to the needs of both Mom and our family. It became a place where we could still laugh and cry with Mom and each other. The room was adorned with flowers and we sometimes took Mom across the hall for concerts, especially when it was the big band music she so loved. We had family meetings with the staff who taught us about Mom's changing physical needs and kept us prepared and informed. Although the four of us coordinated morning to night visiting coverage, we never worried that Mom would be alone. Not at Calvary.

*It takes a special place and special people to provide care like that.
My hope is to remain as devoted to Calvary as Calvary was to my Mom.*

2020 CALVARY FUND REPORT

SECURING CALVARY'S FUTURE: PLANNED GIVING UPDATE

Calvary PAC Prevails

Over the past decade, Calvary's Attorney Conference has earned a reputation as a must-attend event for trusts and estates practitioners. In 2020, refusing to be paused by the pandemic, Calvary's Professional Advisors Council (PAC) successfully pivoted to offer a timely topic virtually for Calvary's 17th Annual Trusts & Estates Conference.

"Ethics for Breakfast: Ethical Implications for Attorneys in the Gig Economy" attracted a record-breaking 341 of the area's top trusts and estates attorneys, whose attendance earned them two Continuing Legal Education credits in Ethics and Professionalism. The remote format enabled the participation of many younger attorneys who might otherwise not have been able to attend.

The Hon. Nora S. Anderson, Surrogate, New York County moderated and was joined by distinguished panelists Mary P. O'Reilly, Esq., Partner, Meltzer Lippe; Lisa Solomon, Esq., Owner, Lisa Solomon Esq. Legal Research and Writing; Lori Sullivan, Esq.,

Counsel, Seward & Kissell LLP; and Rick Supple, Esq., Partner, Clyde & Co US LLP.

Co-chairing the event was **Leah D. Hokenson, Esq.**, Managing Director, Baldwin Brothers LLC; **Gerard F. Joyce, Esq.**, National Head of Trusts and Estates, Managing Director and Deputy General Trust Counsel, Fiduciary Trust International; and **Erin Gilmore Smith, Esq.**, Senior Vice President and Senior Trust Officer, Bank of America Private Bank.

PAC members are volunteers from the legal, investment, accounting, insurance, and banking professions; they share a deep respect for the unique service Calvary provides to patients with advanced cancer and other life-limiting diseases.

Distributions and Pay-outs

Planned Giving revenue for FY 2020 was \$4,702,173. Additionally, PAC conference feedback reported a total of 36 new wills drafted that contain bequests to Calvary. The Society of 1899, Calvary's premier legacy program, added 12 new members to its roster.

RECOGNIZING LEADERSHIP

The world changed, but the quality of CalvaryCare® never will. To protect Calvary's commitment to non-abandonment and guide our response to the unprecedented healthcare crisis and ensuing restrictions, 33-year Calvary veteran Debbie Feldman was promoted to Vice President for Pastoral Care, Bereavement, and Family Care Services. All clinical programming for patients and families, outside of nursing and medicine, was combined under Ms. Feldman's capable leadership to form a super-team of Family Care Practitioners. Placing a premium on individual contact, Ms. Feldman's Practitioners called virtually every family to ask for their preferred mode of communication, including phone, video conferencing, text, and more. Then family and staff were armed with all the apps and equipment needed to keep lines of communication open. Debbie Feldman and her team were heroes of the pandemic, ensuring that every staff and family member felt Calvary's support and compassion, even in the darkest days.

2020 CALVARY FUND REPORT

THE ANNUAL SPRING DONOR APPRECIATION RECEPTION

Calvary donors once again showed unsurpassed understanding, loyalty and resilience in response to the cancellation of the Annual Spring Donor Appreciation Reception which would have been held at the New York Botanical Garden. Traditionally one of the most popular donor events of the year, pandemic restrictions forced its postponement. Instead of honoring our wonderful Calvary donors, they honored us with an outpouring of love and generosity. A total of \$68,235 was raised to help Calvary bring peace, dignity, and comfort to men and women in their final days – the most ever raised for this event.

THE STORRS SOCIETY

Members of the Calvary Storrs Society – our patron giving program – donated a total of \$3,039,426 to support programs and services not reimbursed by insurance but essential to the care and comfort of our patients and families. This represents an 18% increase in giving over the previous

year, and illustrates the vital role our individual donors play in strengthening Calvary's resolve against unpredictable threats to our mission.

CALVARY IN TOUCH

Volume 11, Issue 3, May/June 2020 issue of Calvary's bereavement newsletter, *Calvary In Touch*, was published in the midst of the pandemic with stories designed to bring comfort and strength to our extended Calvary family. The newsletter opened with recognition that all of us are experiencing a collective grief. Articles addressed feelings shared by the majority of people and how best to navigate in the wake of the crisis. Calvary's Bereavement team offered 33 support groups every week, both in-person and remotely throughout the Bronx, Brooklyn and Manhattan.

On March 1, Calvary's annual family party brought together 100 children and guardians to usher in spring and a time of renewal. Small pots filled with soil and zinnia seeds were given to each participant as a remembrance token of a lost loved one.

CalvaryCare® INITIATIVE

Despite delays caused by the health crisis, The *CalvaryCare*® Initiative continued on track to its \$100 million fundraising goal with \$42.1M raised. The Campaign is strategically designed to support the growing number of terminally ill patients in the New York area. While the pandemic forced suspension of critical person-to-person cultivations and solicitations, it also inspired meaningful new initiatives to ensure the Campaign's success. The Calvary Resilience Fund (CRF) was created to provide an opportunity for donors to help Calvary stay strong in the face of future adversities, like that presented by COVID-19. This initiative recharges our momentum and fuels enthusiasm in 2021.

Every life has a story and every story has an end. Calvary seeks to make it the best end for everybody, regardless of resources.

PATRICIA PRICE MAJOR

My Dad was Protestant and my Mom was Catholic. My Dad raised his children as Catholics. When my Dad arrived at Calvary, he told my brother that he wanted to become Catholic. The Calvary staff arranged for him to receive his First Communion and Confirmation. They would take him down to Mass whenever possible, which meant so much to him. Calvary's staff even organized a party to celebrate the occasion. One of my most comforting memories is him telling me, "This is one of the happiest days of my life."

THANK YOU

for your generosity

The donor listing acknowledges gifts and pledge payments of \$1,000 or more received by Calvary during the period of January 1, 2020 through December 31, 2020.

We regret that space limitations do not allow us to list every gift received, but we assure you that every donation, of every size, has contributed to the care of our patients and their families.

If we have made an error in spelling your name, please accept our apology, and we encourage you to call the Calvary Fund Office at (718) 518.2077 so that the error can be corrected.

ELISA ANDREASSI

Calvary was a blessing for my husband. The care, the dignity and the way he was treated, I could never, ever thank Calvary Hospital enough. The doctors, the nurses, technicians, housekeeping and security – there wasn't a person I encountered that wasn't wonderful. There aren't enough words to properly describe my experience there. All I can say is, "God bless Calvary Hospital."

MARY BETH & ED MORRISSEY

We are honored to support the critically important work of Calvary Hospital in serving the most vulnerable persons in our society as they approach the end of their lives, or endure the suffering of chronic pain conditions. Calvary Hospital is providing sui generis care in end-of-life and palliative care.

The system-wide palliative care method that has been so successfully designed and implemented at Calvary ensures that every healthcare worker is trained in palliating the pain and suffering of patients receiving care at Calvary.

Calvary Hospital has achieved a universal palliative care environment in delivering the most compassionate care to patients at the end of life, and is a model for the progressive realization of the right to palliative care, both in the United States and globally.

RITA KALISH

Over 15 years ago, my husband was cared for by Calvary Hospital. He spent 7 months at the hospital and during that time they helped us celebrate Passover and an anniversary. The staff was extremely kind to us. They were tender and so caring and so loving, that I will never forget them. I'm also grateful for the compassion that they gave to my daughter-in-law, who was cared for several years earlier.

DESCRIPTION OF ORGANIZATION

Organization

Calvary Holding Company, Inc. (the “Holding Company”) is a not-for-profit corporation organized under Section 402 of the Not-For-Profit Corporation Law of the State of New York. The Holding Company is recognized by the Internal Revenue Service as exempt from federal income tax under the provisions of the Internal Revenue Code (“IRC”) as an organization described in Section 501(c)(3). The purpose of the Holding Company is to engage in charitable, scientific and medical activities to support Calvary Hospital, Inc. (the “Hospital”) and its affiliated organizations which are exempt under Section 501(c)(3) of the IRC. ArchCare, a not-for-profit corporation, operated in connection with the Roman Catholic Archdiocese of New York, is the sole corporate member of the Holding Company.

Principles of Combination

The combined financial statements of the Holding Company and affiliates include the accounts of the following organizations of which the Holding Company is the sole corporate member:

- Calvary Fund, Inc. (the “Fund”) is a not-for-profit corporation recognized by the Internal Revenue Service as exempt from federal income tax under Section 501(c)(3) of the IRC. The Fund’s purpose is to solicit, accept, and receive real and personal property and to collect income therefrom to be applied exclusively for any health-related charitable organization or corporation affiliated with the Roman Catholic Archdiocese of New York. However, the current and historical intent has been to provide exclusive support to the Hospital.
- The Holding Company is also the sole member of Calvary Network Management Services, LLC, an inactive organization.

In addition, primarily because it is under common management with the above organizations, the Hospital is included in the combined financial statements. The Hospital is a not-for-profit specialty hospital that provides services for the care of terminally ill cancer patients. The Hospital, which is operated in connection with the Roman Catholic Archdiocese of New York, is exempt from federal income tax under Section 501(c)(3) of the IRC.

Intercompany transactions and amounts have been eliminated.
